OFFICE MEMORANDUM • UNITED STATES GOVERNMENT

To : Chiefs, Field Bureaus

Date: 11 February 1948

From : Chief, FSIS

Subject: Letter of Instruction for January 1948

1. General Information

a. For the first time, FSIS reports have received a personal commendation from President Truman. A report prepared by Special Reports Division on foreign radio reactions to his "State of the Union" message aroused his interest, and he asked for others to be sent to him directly, if and when FSIS had similar material in the future. Since then, he has received Special Reports on reactions to the personnel changes in the State Department, to his Budget Message, and reactions to his Inaugural Address.

b. Requests for upward revision of Departmental editorial grades have been submitted to the Civil Service Commission.
